"But the angel said to them, 'Do not be afraid. I bring you good news that will cause great joy for all the people.'" Luke 2:10 NIV

Greetings AIDS Ambassadors!

On behalf of the entire United Methodist Global AIDS Fund Committee, we want to thank you for your faithful service throughout this last year on the issue of AIDS. Your involvement with this critical issue is so important and lives have been saved due to your ministry. The church has such a major role in eradicating stigma experienced by people living with HIV or AIDS. Through our welcoming of all God's people to our communities of faith, we genuinely live out Christ's call to love one another. We wish you Advent blessings and a very happy and safe Christmas!

Dr. Donald Messer and Linda Bales Todd, UMGAF Co-Chairs
